Stop Payment Terms and Conditions

I (the owner of the account number listing above) hereby instruct (financial institution) to stop payment on the above transaction(s). I understand that placing a stop payment order on a recurring ACH transaction will not cancel my authorization with the merchant. It is understood that in order to place a stop payment on all subsequent payments from an Originator, I must notify the Originator to cancel my authorization prior to placing the stop payment order.

It is understood that by placing this Stop Payment Request on the transaction(s) listed above that the account holder agrees to hold the financial institution harmless against any and all loss, claims, damages, and costs, including court costs and attorney's fees, that the financial institution may suffer or incur by reason of non-payment of the above transaction if presented prior to withdrawal of these instructions or expiration thereof.

Timing of Stop Payment Order

I understand a stop payment order must be received in time to allow the institution a reasonable opportunity to act on it prior to acting on the debit entry and for some ACH debits, the order must be received at least three banking days prior to the scheduled date of the transfer. To be effective, the stop payment order must also sufficiently identify the payment. If the order is accepted orally and notice is given that a written confirmation is required, the written confirmation must be received within fourteen (14) days of the oral order. With respect to ACH debits, the institution and the undersigned agree to abide by the ACH Rules and regulations regarding Stop Payment Orders.
