

Shared Branching

What is Shared Branching?

This is the newest addition to our extensive list of services, and the most exciting! You can visit any Credit Union that participates in Shared Branching to conduct BCBST Employee Credit Union transactions such as: Deposits, withdrawals, transfers, transaction history, loan payments, etc., all without having to come HERE to do it!

They will require some things from YOU

They will need our name (BCBST Employee Credit Union), your account number, your ID, the address we have on file, and the last 4 digits of your Social Security Number

To find a location near YOU

Download the APP; Text your Zip Code to 91989; Call 1-888-SITE-CO-OP; or visit the CO-OP website: <https://co-opcreditunions.org/locator/?loctype=S>

This is a privilege

Any abuse of the system will result in your access being revoked

For any questions please contact us!
